Information in easy English

For people who don't understand German very well

This is a doctor's practice

- The name of the doctor ist Dr. van Heek
- We work here as a team
- We listen to people
- We don't talk about it to other people
- Our purpose is the best development for children
- Our purpose is children's happiness

You may present your child to the doctor, in case there are problems

- In case your child isn't developing well
- In case your child isn't behaving well

We examine your child

- To find out what your child already masters
- To find out what else your child may achieve

We provide advice about

- How your child may study well
- How your child may become happier
- How your child can make friends
- How your child can behave better

Just call us: 04 31 – 8 88 00 40

Or just show up:

Kanalstraße 37, 24159 Kiel
